(中國商用飛機有限責任公司). He retires in May 2017 but acts as the independent non-executive Director of the Company starting from March 2018.

Save as disclosed above, Mr. Tian does not hold any other positions with the Company and other members of the Group.

Mr. Tian does not have any interest in the shares of the Company within the meaning of Part XV of the Securities and Futures Ordinance of Hong Kong.

In addition, there is no other information relating to Mr. Tian that required to be disclosed under Rule 13.51(2)(h) to 13.51(2)(v) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited. APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

This explanatory statement contains all the information required under Rule 10.06(1)(b) of the Listing Rules and also constitutes a memorandum required under the Companies Ordinance.

EXERCISE OF THE REPURCHASE MANDATE

The Directors believe that the flexibility afforded by the Repurchase Mandate would be beneficial to the Company. It is proposed that up to 10% of the total number of H Shares in issue on the date of the passing of the special resolution (subject to adjustment in the case of any subdivision and consolidation of Shares after the relevant general meeting) to approve the Repurchase Mandate may be repurchased. As at the Latest Practicable Date, 675,571,000 H Shares were issued by the Company. On the basis of such figure, the Board would be authorised to repurchase up to 67,557,100 H Shares during the period of 12 months commencing from the date of the passing of such resolution or until the conclusion of the first AGM after passing such resolution or its revocation or alteration by a special resolution at a general meeting, whichever is the earliest.

REASONS FOR REPURCHASE

The Board is of the view that the current stock price of the Company obviously deviates from the fair value of the Company. Repurchase of shares is in the interests of the Shareholders as a whole, and at the same time, can stabilize the market expectation and regain investors' confidence.

FUNDING OF REPURCHASE

Repurchase pursuant to the Repurchase Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchase will be made out of funds of the Company legally permitted to be utilised for such purpose in accordance with its Articles of Association and the laws of the People's Republic of China, including profits otherwise available for distribution. Under the Companies Ordinance, a company's profits available for distribution are its accumulated and realised profits, so far as not previously utilised by distribution or capitalisation, less its accumulated and realised losses, so far as not previously written off in a reduction or reorganisation of capital duly made.

There might be an adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its latest published audited accounts for the year ended 31 December 2017) in the event that the Repurchase Mandate is exercised in full.

However, the Board do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the Company's working capital or gearing position, which in the opinion of the Directors are from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

None of the Directors, and to the best of their knowledge, having made all reasonable enquires, none of their close associates, have any present intention to sell Shares to the Company or its subsidiaries if the Repurchase Mandate is approved by the Shareholders.

No core connected persons of the Company have notified the Company that they (i) have a present intention to sell Shares to the Company or (ii) have undertaken not to sell Shares to the Company, if the Repurchase Mandate is approved by the Shareholders.

DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the PRC.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Share have been made by the Company (whether on the Stock Exchange or otherwise) during the six months preceding the date of this circular.

EFFECT OF TAKEOVERS CODE

If as a result of share repurchase by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, the Shareholders, or group of Shareholders acting in concert, depending on the level of increase of its or their shareholding, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the controlling shareholder of the Company is Harbin Electric Corporation ('**Harbin Electric**'), holding 1,030,952,000 domestic shares of the Company, representing 60.41% of the total number of Shares of the Company as at that date, which exceeds 50%. If the Repurchase Mandate is exercised in full, the number of H Shares of the Company will be reduced to 608,013,900 shares and the total share capital will become 1,638,965,900 shares. The Harbin Electric will be interested in 62.90% of the total number of Shares of the Company. Therefore, exercise of the Repurchase Mandate shall not result in a mandatory offer obligation upon the Harbin Electric under Rule 26 of the Takeovers Code.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE
